FOR U

Your car has served U well, even though it might now be aging. The question is, do U have a warranty in place to cover the replacement of parts if something goes wrong?

Say hello to our Pre-owned Motor Warranty, cover to protect your car and keep it in tip-top condition.

HOW DOES IT WORK?

- Does not require an existing warranty to be in place.
- Your vehicle is covered up to 300 000kms or 15 years, whichever occurs first.
- To qualify, your vehicle must:
 - Have a full service history or must have been serviced within 30 days of taking up the policy.
 - Be a passenger, 4X4 or light commercial vehicle with a gross vehicle mass of less than 3 500kg.
 - Normal wear and tear is not covered by this policy. Normal wear and tear is defined as deterioration arising through the use or age of your vehicle, which does not result in actual mechanical failure.
- U pay affordable monthly premiums.

WHAT DO I GET?

- A wide range of cover with four categories of cover that are tailor-made for the age and mileage of your vehicle.
- Helps U pay for major mechanical breakdowns and electrical failures.

BESIDES BEING COVERED, HOW DO WE SWEETEN THE DEAL?

We've included car hire and hotel accommodation in the case of unexpected mechanical breakdowns or electrical failures for your convenience and peace-of-mind.

ARE U READY TO CHOOSE YOUR PLAN?
